## NOTICE

October 2, 2006

### 2006-2007 DRYUP SCHEDULE

Each year the District schedules a dryup of its canal and lateral systems to perform necessary repairs and maintenance. The schedule of the District's annual dryup is shown below.

#### DRYUP OF THE ENTIRE RWCD SYSTEM

STARTING AT 12:00 P.M. (NOON) ON MONDAY, DECEMBER 18, 2006

AND

ENDING AT 12:00 P.M. (NOON) ON MONDAY, JANUARY 15, 2007

This dryup will cover the District's entire system. There will be no water available in any part of the District during this dryup.

This Notice is provided to assist you in planning your irrigation water use within the District.
