Applicant hereby submits the attached development plans for review by Roosevelt Water Conservation District (RWCD) with a certified check for the appropriate amount according to the Plan Review Fee and Engineering Reimbursement Schedule. Additionally, Applicant acknowledges receipt of RWCD's policy regarding the development review process and agreement with such policy.

Applicant further acknowledges and agrees to the following:

1. RWCD's review of Applicant's plans is a voluntary and discretionary action and is not mandated by the State through statute or other applicable law;
2. RWCD's review of Applicant's plans is for the benefit of RWCD. Additionally, RWCD's review of such plans and subsequent comment(s) is for the benefit of RWCD facilities only and should not be relied upon for review or design issues related to any other aspect of the project;
3. RWCD does not assume any liability for Applicant's duty to third parties in accordance with RWCD's review of development plans for impacts to RWCD facilities.

RWCD's sole discretion and action will be limited to the acceptance or rejection of the project plans. To the extent RWCD or RWCD's engineering firm requests and/or suggests changes to the plans submitted for review, the Applicant will consider such actions by RWCD as a rejection of the plans.
