

# ROOSEVELT WATER CONSERVATION DISTRICT

## RWCD Water Use Policies

### **CONSTRUCTION WATER**

- Construction water is available from RWCD. Visit the RWCD office at 15400 S. Higley Road to obtain a construction water permit and to make arrangements to receive water.

### **LANDSCAPE WATER**

- RWCD encourages the use of RWCD water for landscape water supply where applicable. Contact Mr. Wallace Haws at [wallaceh@hecengineering.com](mailto:wallaceh@hecengineering.com) or 480-218-8831 to discuss details or applicability to your project.

### **NEIGHBORHOOD RESIDENTIAL FLOOD IRRIGATION**

- RWCD encourages the use of RWCD water for neighborhood irrigation use where applicable. The private neighborhood system shall be designed using RGRCP CL III or PVC SDR-35 pipe where outside vehicular access areas and RGRCP CL IV where in vehicular access areas.
